

Sun Budget Roaming Text FAQs

1. What is Budget Roaming Text?

Budget Roaming Text is a menu based roaming text alternative. It allows Sun roaming subscribers to text to the Philippines (any Philippine number) for only Php 5/text. Sun subscribers using Budget Roaming Text menu can also check their balance for free, forward messages, and even reload. This service is available to Sun Prepaid and Postpaid subscribers.

2. What are the benefits of Budget SMS Roaming?

- Sun roaming subscribers can now text the Philippines for only Php 5/text. This is 80% cheaper than regular Sun roaming text.
- You can check your balance for FREE!
- You can see your sent items and even forward them.

3. What are the rates?

- Each successful roaming text is only Php 5/per message. Failed attempts are not charged.
- Balance Inquiry is Free.
- Forwarding messages is also Php 5/text.

4. What are the possible failed attempts?

- Due to Time Out – The Budget SMS roaming menu is only active for 60 seconds. Responses lasting more than 60 seconds will display an error message.
- Due to Insufficient Balance – User must have at least Php 5 load.
